AME CEE 2024

The AME CEE Examination is a prestigious national-level entrance exam that provides aspiring students with a unique opportunity to embark on a career in the aviation sector. It serves as a gateway for students who are passionate about aviation and wish to explore various career options within the field.

The examination not only facilitates admission to Aircraft Maintenance Engineering programs but also opens doors to a range of other exciting courses, including Aeronautical Engineering, Aerospace Engineering, Commercial Pilot License (CPL), Bachelor of Business Administration (BBA) in Aviation, Airport Management, Cabin Crew, and Ground Staff.

Additionally, based on their All India Rank (AIR) in the exam, candidates stand a chance to secure substantial scholarships, with the possibility of receiving up to 100% financial support. This scholarship initiative aims to reward and encourage top-performing students to pursue their dreams in the aviation field.
