- i) The annual family income ceiling for issue of Food Security Cards is Rs.1.50 lakh and below in rural areas and Rs.2 lakhs and below in urban areas. This decision has been taken keeping in view that though the Outsourcing employees, low stratum of employees in the private sector etc. whose income is very low are not coming under the ambit of eligibility for Food Security Cards though they are deserving. Therefore to cover such deserving persons under the scheme, the income limit is increased.
- ii) The land ceiling limit is 3.50 acres and below for wet land and 7.5 acres and below for dry land.

The mere possession of land shall not alone be the criteria for deciding the eligibility for Food Security Cards. The income on the land prescribed above shall also be taken into consideration. If the income from the land is less than the income ceiling prescribed above, the family shall be entitled for Food Security Card.

- iii) There may be more than one family at the address given or in the previous card and if there are applications for separate cards, such cases may be considered provided the Verification Officer is satisfied that the families are separate.

The policy of the Government is to issue rice on Food Security Cards to every person/unit without any upper ceiling and not based on card with a cap on maximum quantity of rice. Therefore, there shall be no objection to issue separate cards subject to condition that the names of same persons are not found place in different cards. Care should be taken to ensure that such duplicates in names are not found in different cards, based on Aadhaar authentication.

- iv) The other instructions issued in the references cited shall mutatis mutandis apply. However, the instructions are indicative and not sacrosanct. The District Collectors shall depending upon the local situation of the district and on their satisfaction, decide the eligibility in such a way that the deserving families get the cards.

- vi) The Verification Officer shall be held responsible for recommending to issue of cards to the ineligible families and also for denying the cards to the eligible families.
- vii) No eligible family should be deprived of the card.
- viii) Food Security Card is valid for drawing rice and other essential commodities only. During the verification, the Verification Officers / Field Officers shall emphasise this to the applicants and that for Aarogyasri, Pensions, scholarships etc. separate mechanism is being evolved by the Government and therefore, all the deserving families /persons as per the income, land ceiling and other guidelines issued shall be given Food Security Cards.
- ix) As the original household verification form (SKS) and the Pension Verification form are kept under the safe custody of the Tahsildar, the house hold verification forms after verification with recommendation of the Verification Officer for issue of Food Security Card/Antyodaya Food Security Card/ineligible as the case may be shall also be collected for preserving in the safe custody in the Tahsil Offices. They shall be neatly bound habitation wise/ Gram Panchayat wise / Ward wise as the case may be in Rural/Urban areas respectively. The Tahsildars are accountable and responsible for each household verification format.

- x) All the applications that have been verified with the earlier income limit and earlier land holding, should again be got verified keeping in view the income and land ceiling limit indicated above.
- xi) All the applications for the Food Security Cards have to be accounted for. If an application is rejected, the reasons for rejections have to be mentioned as e-PDS will ask for reasons for rejections. The following reasons for rejections have to be mentioned - i) ineligible (ii) bogus (iii) Other reasons ( to be mentioned).
- xii) Collectors shall personally bestow their attention on this important item and review the progress of verification on daily basis.
- xiii) If there are any complaints or representations for non-inclusion though eligible, such instances shall be got verified by a superior authority and appropriate action taken.
- xiv) It is necessary to develop a Grievance Redressal Mechanism in the district and to notify the same through local media along with the Help line/Toll free telephone Nos. for registering complaints. The Collectors shall also constitute teams with senior officers like RDOs/Dy.Collectors/Senior Officers for random verification in the field and also for guiding the Verification Officers for proper verification.
- xv) Once the verification starts, the daily progress report shall be furnished to the Commissioner of Civil Supplies in the proforma to be communicated by him separately.
- xvi) Under AAY, each family shall be eligible for 35 kg. of rice per month at Re. 1 per kg.

Allocation district wise as per Govt. of India's allocation has been communicated. Guidelines for exclusion and inclusion have also been communicated so that the most deserving among the poorest of the poor like Landless people, houses headed by a widow or a single woman, households headed by a terminally ill person, HIV patients, leprosy patients, households headed by a person with disability; destitute households which are dependent predominantly on alms for

survival etc are covered by the AAY cards. Collectors shall evolve a system of allotting AAY cards within the District so that the deserving poorest of the poor are given the AAY cards.

- xvii) Other Card holders shall be eligible at 6 kg. per month per person at Re. 1 per kg.
- xviii) There is no upper ceiling on the number of persons for drawal of rice in any family. The family shall be entitled @ 6 kg. per person based on the number of persons in the family.
